

Bradmar™ Solid Plastic Partitions

Whether you're an owner, facility manager, or architect, you will appreciate the low maintenance and high aesthetic value of solid plastic.

MATERIAL

Fabricated from an advanced formula of high density polyethylene (HDPE), Bradmar solid plastic offers the lowest maintenance and the highest durability. With an odor absorption rate of nearly zero, solid plastic is the perfect solution for highly humid or wet areas.

Mills Bradmar partitions have 1" thick doors, panels and pilasters.

Mills solid plastic partitions are covered by a 15-year warranty against rust, corrosion, and delamination.

PRODUCTS

Sentinel™ overhead braced partitions, floor to ceiling partitions, urinal and sight screens, and shower stalls.

APPLICATIONS INCLUDE

Educational institutions, theme parks, stadiums, arenas, health clubs, food service, waterparks, locker rooms, and any other high-traffic and/or high humidity or wet area.
